Commodore's Report

Phil Reynolds

Ahoy from the Commodore.

This being my first post as the Commodore I want to thank Staff Commodore Mike Cook and the rest of the past Board for their hard work and commitment over the past year. The Club has over the past couple of years been rehabbed on the outside and is looking great. We are now starting on the inside and hope to get the job done in a MONTH!

To make this happen we will need your help and support. The Club will be shut down after the Super Bowl party for the rest of the month. Please check the schedule on the calendar in the Club or on line to see what is happening and make your plans to help. We really need all hands on deck to make this happen.

The club needs this overhaul if we want to keep the rentals coming in and as we all know they are a huge part of our income stream. Bravo Zulu to Diane and Jerry for working so hard in the Bar and with the rental program. If you have some free time they can always use a hand during rentals.

We are going to have fun this year; we have already set up some new activities such as the Member Flea Market and The Blues on the Bay Party. If you have any ideas for activities let us know. The Super Bowl is fast approaching and that is always a good time. It will be pot luck again this year with \$1.00 Bottle Beer! If you can get to the club around 12:00 you can help move things to the trailer to clear the club for the remodeling project.

I want to thank all of the people who volunteered to be on the board this year; I am so impressed with all of you and pledge to you that your commitment to the Club will insure that we have the Best Yacht Club in the Bay!

The Club will be ready to host during the Americas Cup and we need to start planning activities soon. I will be naming a committee soon to work on this and if any of you want to help in this once in a lifetime project let me know.

We have a new member to welcome aboard, Oliver Campbell. He has a 60' Angel, MY on "A" dock and judging from the party that he threw last weekend is going to be a GREAT Member. I hope that I get to welcome a new member every month this year.

Fair Winds and Smooth Seas.

Vice Commodore's Report

Allen Chan

This is a great month to be at the club. Its cold outside and the new fireplace is going to keep us warm and toasty.

The Change of watch was a great success. The club looked absolutely sparkling with the decorations, a special thanks to the crew who made it happen. I would like to especially thank Mike Cook, our past commodore for a Great Year. You did an excellent job for the club and its members. I would like to welcome Phil Reynolds as our new Commodore. Thank you for hiring the band they were great and the food was awesome as usual from Horatio's.

Phil is ready to take charge with his energy and full throttle to keep the club running. Let's give him our full support and assistance to make this another great year. The pictures have been uploaded to the web site <http://www.spinnakeryc.org> under photo album. Congratulations to the NEW Board Members and all of our members for being a part of the club... See you at the club.
