Volume 2, Issue 2

From the Bridge

Commodore's Report ***

Mike Cook

Here we are safely into 2010 and we have wrapped up the dock and deck repair work. We now have mostly new docks with at least 5 feet of water under them, and 4 new lighted power pedestals with 50A-250V and 30A-125V outlets on each one. The California Cruising Clippers cruised in February 19 with 10 boats to check them out and found them to be just what the doctor ordered. They did celebrate at Duncan's Pub rather well. We did a dinner for them and General membership meeting and did very well, thank you. If you promise to come to the general meetings, we will promise to have a very good dinner waiting. We did New York strip and pasta with salad and desert for \$10. Everybody raved and the club made money.

The siding on the clubhouse is complete; the awning over the deck is complete; the new power circuit to handle the popcorn machine is complete. It is obvious that all the volunteer work has paid off and we are starting to enjoy a club that is up and running like the good old days.

We were doing just fine, and then on or about March 3 the club apparently got hit by lighting. The large projection TV and DVD player and Dish network receiver were all saved by the smoky sacrifice of the surge protector. The receptacle by the copy machine was toasted. I had already notice that our alarm system was chicken fried, but had not put the two together until I got a phone call from Phil telling my that the TV in the bar was totally down, its power supply toasted. It looks like that was all the damage done and the electrical damage was fixed within a day for \$60. But the bar TV needs replacing and the alarm is resting in peace. We will have to spend some more money.

Now if we could just get some more clubs to cruise in we could pay for all that stuff. Robert Rowe is working on the cruise-ins. If any of you have friends in other clubs let them know the dredging is done and we have joined the 21st century with power at the docks. The City is not advertising the marina or the work that has been down at all. What a bunch of screw-ups. So, as usual, it is up to us!

Remember to call Jerry Kautter for the April boat show assignments. WE NEED THE MONEY! And we need the fun, too. Thank you, Jerry, for doing that again this year. Diane is ordering beer in smaller containers so that it can be stored in the beer cooler before it is tapped. Pardon the pun, but it is a really cool idea.

CHECK OUT THE WEBSITE AT: www.spinnakeryc.org. Allen Chan has been working on this site for while in cooperation with Glen Sitz and it is turning out to be a really good job. CHECK IT OUT, CHECK IT OUT, CHECK IT OUT, NOW!

Vice Commodore's Report **

Phil Reynolds

This is my first article as the Vice Commodore and I can hardly believe that it is already March and The Sally Ann has not left the dock in two months. The Friday Happy hours have been very well attended and the club is starting to show a profit at the Bar. Diane has done a great job keeping the bar stocked, if your flavor is not in stock ask her and she will do her best to get it in.

The dock is now completed and we have had the first cruise-in with the Cruising Clippers bringing 6 boats rafted up with no problems. We now have 50 amp service as well as lights on the dock. Bring your boat down for the weekend, it's free! We have upgraded the Website to a world-class status, logon at www.spinnakeryc.org check it out! Thank you Allan We are having a Cruise-in with the Trawler and Trawling Group as well as the CHB Owners Group the weekend of May 14 with a club sponsored BBQ on Saturday, stop by and join in on the fun.

As most of you know the Rear Commodore Rick Rolund is presumed lost at sea. The club has lost a great member and friend. Our prayers go out to Lisa and the family. A ceremony to celebrate his life will be held at the club soon.

The Commodore Mike Cook and his wife Barbara lost Mikes Mother on Monday after a long illness, Godspeed to her.

Terry Payne has just lost his beloved dog Misty and we all send our best wishes to him.

The best part about being a member of this club is the way that people help help each other out in time of need. Please take the time to let these people know that you care.

Godspeed and Fair Sea's.

PORT CAPTAIN'S REPORT

Welcome to 2010. We have been very busy on the club in the last 6 months and we still have several projects to complete and more to start. We are a volunteer club so please volunteer. If you do think of something that needs doing please contact me at 925 339 6461 and share your ideas with me before you start. Sometimes we end up duplicating or crossing up the projects if I lose track of what's being done. Remember any and all volunteers are entitled to credits against next year's dues when work is performed by club members. However, I have to sign off on the time chits that are in the little box on the Ship's Store cabinet. These chits are the only way we can track your hours.

We have to finish up the front entrance ramp and the pilling weighting with concrete. We need to paint the railings around the club as well as finish trim paint. For this I am trying to get some volunteers for the second weekend of April. Please call if you can spare some time.

We had a very successful cruise-in February 19-21 by the California Cruising Club and we netted around \$750 dollars. We need more cruise-ins, to say the least. We have another cruise-in by Bay View Yacht Club schedule to arrive as I write this article. Remember to check the club out on Saturdays for future cruise-ins, it's fun times.

Remember call me at 925 339 6461 to volunteer and fill out your chits when you help.

Thank you.

Robert Rowe, Port Captain

Commodore's Report continued from front page

We had a good cruise out to Aeolian YC; only two boats but we had 18 people for dinner and round of drinks on the commodore. See what happens when you let me drink before dinner. Had the opportunity to watch Roy Yates fall in love with a new-to-him boat. We had three boats to Oakland YC the next week. Oakland YC put on a great dinner as usual and we had six people by boat and twelve by dinner time. I got to watch Roy Yates start courting his new boat. Fun to watch!

Make the March 19 meeting; I won't be able to because Barbara and I will be out of the country on our three year tardy fifth wedding anniversary cruise.

See you at the boat show.

STAFF COMMODORE'S REPORT

Greetings Spinnaker members. The April boat show is just around the corner. I thought I would give you all a heads up to think about working the show this year. I have heard that it's going to be a good show as most of the booths are sold out for this show. Besides our normal jobs minding the gates and tickets booths, it appears that we will be selling drinks and things.

I will be calling all the members to see who can work this show and the days they would like to be there. The days are: Tuesday April 13 - setup day, Wednesday April 14 - setup day, Thursday April 15 - show opens, Friday April 16 - show open, Saturday April 17 - show open, Sunday April 18 - show open and Monday April 19 - take down day. If any of these days are open in your schedule mark them down and when I call let me know or if you want to call ahead of time to let me know the days you can work call me on my cell phone # 510-881-6382.

Thanks, **Jerry Kautter**, Staff Commodore

DUNCAN'S PUB

WELL I KNOW EVERYONE WILL TELL YOU ABOUT THE NEW DOCKS, SO I WON'T MENTION THEM. SPRING IS HERE AND WITH THE WEATHER GETTING BETTER IT'S A GOOD TIME TO SIT OUT ON THE DECK AND LOOK AT THE NEW DOCKS, OH I WASN'T GOING TO MENTION THEM BUT THEY SURE ARE NICE. WITH THE BOAT SHOW COMING UP THAT'S ANOTHER GOOD TIME TO COME DOWN TO THE CLUB AFTER YOUR DAY AT THE SHOW. SO I KNOW WE WILL SEE MORE PEOPLE COMING INTO THE CLUB.

March

- 13 Debbie Green
- 19 Barbara & Leland Maes
- 20 Robert Rowe
- 26 Phil & Sally Reynolds
- 27 Alan Chan

April

- 2 Ray & Kat Davis
- 3 Ginger Torok
- 9 Heidi Finberg
- 10 Lisa Rickford
- 16 No Assignment - Boat Show
- 17 No Assignment - Boat Show
